Christmas Tree Disposal

After Christmas, trees are **NOT** allowed to be disposed of in the dumpsters. It is the responsibility of the resident to take them to a proper disposal site. Please check the City of San Diego's Website for drop off locations: [Christmas Tree Recycling | Environmental Services | City of San Diego Official Website](#)

Indoor Activities for Kids

And if you love making crafts with things you have around your home, check out the Recycled Crafts for Kids book. It has 60 crafts for kids with things you can use from around your home and a few other simple supplies. The slime craze continues and so many people are having fun making slime! Not only is slime fun to make – but kids will love stretching and squishing it.
