Community Announcement

Please see below for a few updates from the Board of Directors:

- The pool heaters have been turned back on.
- The second tennis court has now been unlocked.
- The parking rule requiring parking head in has been deleted.

The Board would like to remind resident(s) to refrain from leaving out food and other items in the common areas as this could lead to an increase in rodent activity around the community.

Sweet Treats for the Summer

Strawberry Lemonade: (1lb. Strawberries; 1 ½ Cups of Sugar; 2 cups of lemon juice; additional strawberries and lemons for garnish)

- Hull and quarter the strawberries. Place the strawberries in a large bowl, stir in the sugar and ¼ cup lemon juice. Allow to sit, covered for 30 minutes.
- In a countertop blender, blend the strawberry mixture until pureed. Strain the mixture through a fine mesh sieve to get the seeds out.
- In a large bowl, combine the strawberry puree with the remaining 1 ¾ cups of lemon juice and 4 cups of water. Add up to 1 additional cup of water to taste if the mixture is too sweet or strong.
- To serve, stir the lemonade and pour it over ice. Garnish with sliced lemon and strawberries.

Blacktop Sealing

In previous newsletters we advised the community that the seal coating for the black top would commence in early weeks of May.

This project has now been postponed to the month of July.

The postponement is due to investigating painting of the buildings. If we move forward with painting the buildings, we would not want paint on the new seal July our surface streets will be getting the final seal coat on the black top.
