Contractors Doing Work?

If you are having any contractors doing work that will involve any possible noise disturbances (cranes, pounding etc.) please notify the office or Curtis Management in advance of exactly when it will be scheduled so a notification can go out to all the residents in the building it would affect.

Ways to Save Water

Rinse vegetables and fruits in a sink or pan filled with water rather than under running water *If using a dishwasher, only run it when you have a full load. Reuse later to water plants or flush toilets.
